

INCONTINUO

Amidst the ruins of a city, a crowd seeking refuge gathers for a moment's respite. A blanket, a bowl of soup, a piece of bread... and memories of what once was, what is and of what will be.

A timeless story. A political and poetic statement. A tribute to the courage of those who have left their homes in search of a new place to live.

There are many of us, and there will be many more. Don't forget to bring your piece of bread.
